

Lease Tracking and Renewal

As part of our suite of comprehensive Relocation services, we offer **Lease Tracking and Renewal Services** that proactively and systematically track your assignees' leasing contracts by notifying you to any termination dates or renewal deadlines.

We timely notify the landlord whether the leasing contract will be renewed and the terms of the extension in case some may vary. **Expatriate point is committed to save our assignee from trouble and stress**, so we re-negotiate best possible terms for them, draft new lease renewal agreements and coordinate lease signings.

For more information please contact@expatriatepoint.mx, we are always happy to help with any question that you have.
